

An introduction to EAPCI

● September 2020

- Exploring
**Interventional
Cardiology**
Together

ESC

European Society
of Cardiology

What is the EAPCI?

- A branch of the European Society of Cardiology (ESC)
- A **volunteer led**, not-for-profit medical society
- Our members are **health care professionals**
- A source of **high quality**, evidence-based **science**
- Ensures **objectivity, transparency** and **integrity**

The ESC adheres to a Code of Conduct developed with members of the Alliance for Biomedical Research in Europe (BioMed Alliance), of which ESC is a founding member

The EAPCI mission and vision

- **Our mission**

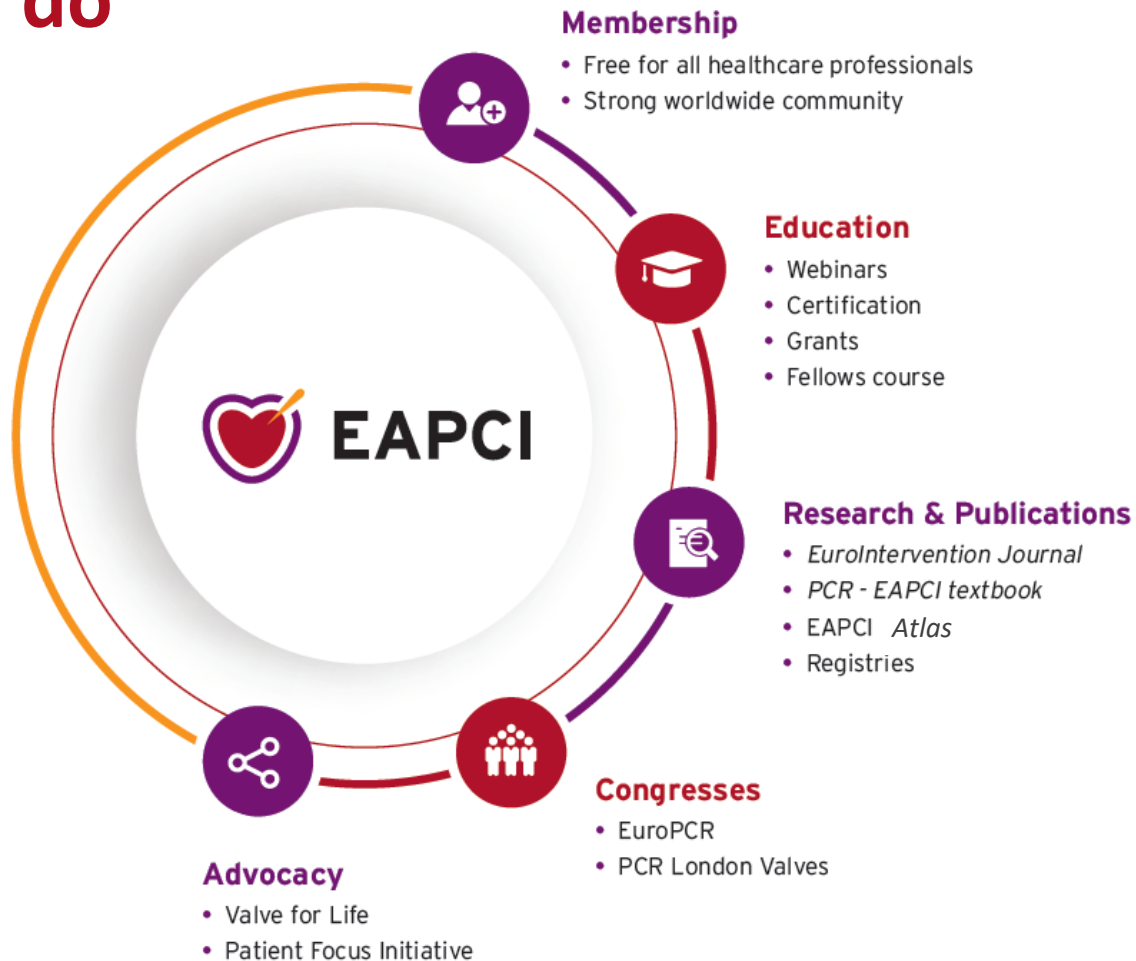

To reduce the burden of cardiovascular disease through percutaneous cardiovascular intervention

- **Our vision**

- Identify and break down to improve access to all percutaneous cardiovascular interventions
- Further advance knowledge, education, standards and research
- Continue to advance transcatheter valve interventions
